On October 28, 1980, Richard LaBarbera and Robert McCain attacked and murdered 16 year old Paula Bohovesky right here in Pearl River. It was 7 p.m. and Paula was walking home from her after school job at the Pearl River Library. Paula suffered and died alone. Paula was an honor student and a much loved and valued member of the community.

Both men were tried and convicted for the murder of Paula Bohovesky and received the maximum sentence of 25 years to life. They were denied parole in 2005, 2007, 2009, 2011, and 2013, and are now up for parole again. Dr. Zugibe, the Medical Examiner at the time, said that it was the most brutal attack he had ever seen. We believe that those who commit violent crimes cannot be trusted not to kill again. We do not believe that either Richard LaBarbera or Robert McCain should be granted parole and **we plead with you to help us deny it to them. Society has a responsibility to protect the innocent.**
